## Meeting Minutes from November 17, 2011

The meeting was called to order by Terri B. at 6:36 p.m.

### **Approval of Minutes**

The minutes were read by Terri B from the October 27, 2011 meeting. Changes to last meeting minutes: Concession Stand – We have to check on the age of children that can be in the booth. Anna S. motioned that the minutes be accepted with changes and Barb C. seconded.

### **Treasurer**

We had 10 games at about \$600.00 per game. Sharon R motioned to accept the Treasurer's report be accepted and Donna S seconded.

Barb C said that everything is closed-up in the concession stand – water, shutdown bathrooms, etc. Popcorn popper is back and cleaned. Pepsi bought back the rest of our soda.

Anna S talked about Mr. Bottino taking photos. Singsation Junior High kids should have all costumes and photos done in December by Christmas break.

### **New Business**

Terri brought up giving around \$200.00 to the American Legion to help fix up the concession hut. Presentation for Angie (past president).

Terri will pick up basket from Edwards Apple Orchard and will drop off more letters.

Terri added more names and addresses for donations.

We will put together baskets and do pizza at Terri's house in January for Broadway Jazz.

For Broadway Jazz, Donna S volunteered to cut and serve desserts (and be in charge of desserts).

We will need 2 shifts to stay around the Auction Baskets to keep an eye on them so nothing disappears.

During the holiday concerts we will need at least 2 people to approach attendees as they come in the doors to bring cake/brownies or pie(?) for Broadway Jazz Night.

Donna counted 110 mailings.

Sharon will bring a 5 gallon cooler for lemonade or water for the concerts.

Talked about whether we need to ask for more baskets and maybe we can put a small article in the Lake Summerset paper for baskets and to drop them off at the Guard House.

We need to check what we have for cups, napkins, tablecloths, and decorations. Barb C will know where they are in the choir loft and has key so Sharon will ask her to show her and will take stock of what is in the loft for us to use for BJN.

Question was brought up if there was a 50/50 raffle during BJN and no there is not, it would interfere with our raffle.

During BJN auction: A Singsation reserved table gets auctioned off. That auction includes a poster and a DVD.

Mary will check with Angie if she reserves tables and people to set up.
