

U.S. History
8th Grade
Mr. Bland

Textbook: *United States History*

Overview: This course is designed to give students a general overview of the events that have shaped our nation. Special emphasis will be given to the American Revolution. Students will also be required to successfully pass the U.S./Illinois Constitution test.

Current Events: We will discuss current events on a daily basis. I will expect students to contribute in class discussions of current events as well as take notes on the discussions. Current events quizzes will be given each week on Friday (unless it is a test day).

Homework: Students will periodically receive homework assignments. Due dates will be given in class and students are expected complete the assignment by the due date.

Grading: Students will be graded in the following categories.

Note: Assignments and grade values are subject to change. If a change is made, students will be notified.
